

STAY ON TOP OF FIRE SAFETY

Reduce the risk of fire and ensure the safety of children in your care

1. Review your fire safety practices
2. Speak with your owners' corporation or building manager about your building's fire safety plan.
3. Educate children on fire safety
4. Update your Emergency Management Plan

Things to look out for:

Cooking left unattended

Faulty appliances/wiring

Portable heaters and open fireplaces

Smoke alarms

Fire escape plan

Air conditioning
